The Finest Materials Money Can Buy A Tag With Every Regal to Prove It

All the varnish in the world can't take the place of solid, honest leather.

Your money is liable to buy more shine than service this season if you buy your shoes on faith. Ask for proofs!

You don't buy Regals on faith!

The high cost of materials has driven so many manufacturers to "skinning" their shoes that we are taking double pains to prove the quality of everything used in the making of Regals. Besides all the other Regal proofs this Fall you will get a Specifications tag with your pair of Regals, telling you precisely what materials were used-soles, insoles, counters, toe-boxes, vamps, tops, linings and thread.

Don't be satisfied hereafter with anything except evidence, if you want your shoes to stand wear!

Wear Regals and be sure of value received for your shoe money.
